

Minutes of Meeting

Name: Mohd Zaid

Run by : futureense.uni

Title : Internship

Attendes: CSE(AIDE)

Objective:

- **Discussion of the types of JOIN's and completion of pending work.**

Agenda:

- The session commenced with a review of recent work updates and clarification of any associated queries.
- We then delved into an in-depth examination of various join types, namely inner and outer joins, along with an exploration of their implications on table relationships.
- Finally, tasks stemming from discussions 3, 8, and 40 were assigned for self-study and completion.

Key takeaways:

- Effective communication and clarification of work updates and queries are essential for smooth progress.
- Understanding the nuances of inner and outer joins is crucial for optimizing database

operations and ensuring accurate data retrieval.

- Completion of tasks from discussions 3, 8, and 40 will contribute to our ongoing learning and project advancement.**
